HONOR SOMEONE (OR YOURSELF) WITH A BRICK AND HELP US COMPLETE PROJECT SPACELIFT!

SPACES is more than a building. It is exhibitions, artist residencies, family-friendly events, civic dialogue, and people.

We have raised nearly \$2.2 million toward our *Project SPACELift* campaign goal of \$3.5 million. The first \$2.5 million is for the real estate acquisition, renovation, equipment, and tools. The last \$1 million is for establishing our SPACES Future Fund, which will sustain everything we do *inside* the building: the things you come to SPACES to see, learn, do, and explore.

We know that *you* know that SPACES is more than a building made of bricks. It is a cultural convener, a community, an attitude, and a new space for new ideas.

HELP US KEEP IT THAT WAY.

This is your chance to recognize the important people in your life *and* help SPACES complete our ambitious capital campaign. Honor a family member, a pet, a favorite teacher, or even yourself, forever with a brick.

You tell us how much you can donate and who you want to honor. If you've already donated to the campaign you can add to your earlier contribution to reach the brick level you wish.

Bricks are located in The Mistake Lab—a classroom inside of SPACES that encourages experimentation without the fear of failure. We host over 50 events in this room each year, from film screenings and musical performances, to panel discussions, critique sessions, and workshops.

LET'S GET THIS DONE, ONE BRICK AT A TIME.
